shane.homan@arts.monash.edu.au  
03 9903 2209

*Sounds of then, sounds of now* charts recent innovations in music consumption and production and reflects upon the growth and diversity of Australian music genres. It also examines how popular music has expressed, reflected and influenced Australian society.

At a time when Australian popular music is enjoying increasing international critical and commercial success, this lively, wide-ranging collection offers a critical revision of popular music's place in Australian society.

### RRP \$49.95

Available at the launch, from selected booksellers or contact:
